

ATTENTION BOYS!

Sometime next week circulars will be sent around to all three schools requesting the names and ages of boys between 12 and 18 years interested in a Gym Class for the summer months. This class is backed by the Recreation Association as part of their summer program to provide entertainment and "something to do" for the boys in this age group. The classes will be conducted by Gordon Savoy, whose studies at Queen's University in Physical and Health Education cover this type of program.

The classes are not compulsory, and do not be afraid to sign up for fear you may not want to attend. They are for you, and any suggestions you may have concerning anything about the class will be greatly appreciated and thoroughly considered. As of yet we have no set schedule, but we do hope to do work in Gymnastics, Volleyball, Basketball, and Conditioning; and almost anything else you boys would like. We have access to the High School Gymnasium, with some work being done outside.

We hope to have the first Class on Saturday, June 2nd, from 1:30 until 4:00 p.m. Why not come out and have a look around - this could be a lot of fun - and what the heck! It's Free. Watch next week's NEWS for further details.

TEEN CHATTER - TEEN TOWN DANCE SATURDAY MAY 26th.

Well, over the past two weeks the "brass" of Teen Town has been bogged down a little. The oil of co-operation from all quarters that produces a smooth-running organization is found to be lacking slightly. It's no matter of great concern, however, and can be passed off as inexperience. Some things have been accomplished, and to keep everyone up to date, here's the latest dope:

First, Jack Marsh was unanimously voted the office of Treasurer for our Club on the 15th of May. Jack will relieve Pat Romaniuk of her financial burdens, since she was previously Secretary-Treasurer, and will leave her free to look after her chores as "bookie". Second, at this same meeting, the Athletic Committee, which consists of Carl Kolody, Chairman, Sandra McInnes, Recorder, Pat Romaniuk, Barry Marquis, Marvin Steen and Doreen Pletzer, presented a schedule for this summer's activities. This report

(Cont. on next col.)

TEEN CHATTER (Cont.)

was read again at an executive meeting held last Saturday, May 19th, but no decision was made, either to accept, reject, or modify it, pending further investigation by the Committee. A schedule will soon be set and all members notified of it in due time.

Third, the deadline for the Crest Contest has arrived and departed, leaving me with several entries, any one of which would make a sharp crest. These designs will be judged and the winner of the free trip to next year's conference announced in the near future.

And finally, the executive members of the Club have been plagued by a number of problems concerning the success and failure of Teen Town nights. Don't just sit back and let us get all the gray hairs - let's have some suggestions. We may try as hard as we can, but still everyone won't be pleased. If you as a member have any pet beefs, why, shoot 'em in!. We'll be happy to have them.

And don't forget the Teen Town Dance this Saturday night, May 26th in the Auditorium. See you there!

P. A. Miller,
President.

THANK YOU NOTE

We wish to thank all the LongLac employees that gave to us so generously. It was deeply appreciated.

Les and Doris Legault

NOTICE

Would the person who borrowed a compass from Malcolm Spidell last fall kindly return it to the Guard Station at the Mill.
