

RECREATION FLYER  
WORDS OF THOUGHT

To solve your own problems use your head: to help a child, your heart.

YOUTH RALLY PICTURE

The pictures which our teen-agers ordered are now in the Recreation Office. Please pick up your ordered number right away.

TENNIS CLUB

We are very pleased to see a group of younger players using our tennis courts this season. We would like to remind all those playing the game that running shoes must be worn at all times. Last year we had very little trouble with people mis-using our courts. We hope this will continue again this year. Be sure you join our club. Instruction for beginners will be given later on in the season.

Please do not use the courts on wet days. We will be issuing all members with their own keys to the courts when they buy their memberships.

Friday nights are set aside for the Tennis Club in the Arena from 7:15 to 10:30. The Club must have a responsible person to lock the doors and turn off all lights when play is finished.

ROYAL LIFE SAVING PATROL

We were pleased to see 16 boys and girls out Wednesday night to commence their season training land drill, to attempt to pass their Bronze medallion from the Royal Life Saving Society. We welcome all those 14 years of age or over to enroll in this class that meets each Wednesday night from 7:00 until 8:00 in the High School Gym.

ROLLER SKATING

We would like all parents and children to notice the early hour of roller skating. It now starts at 7:30 p.m. We hope this hour will not be too late for the children. Roller skating can be a family activity. Let's see you out there on Tuesdays and Thursdays from 7:30 to 10:00 p.m.
