HIGH SCHOOL ORCHESTRA PROVES BIG HIT IN DEBUT!

Teen-agers were pleasantly surprised last Saturday night when the Auditorium curtains parted to reveal the source of a very pleasant sound - that produced by Terrace High's first genuine orchestra. Those that were not there for this first performance of our local talent really missed the boat because it is undoubtedly a treat to dance to "live music", no matter whether Percy Faith or Podunk.

The "TERRACE HIGH FIVE" to give the group a perfunctory title, is composed of high school (and Teen Town) members only. They are: Bob Adamo, tenor saxophone; Paul Marcella, alto saxophone; Roger LeBlanc, trumpet; Donna Lohr, piano; and Claude "Krupa" Boudreau, drums. Both Claude and Bob are responsible for the organization of this dance, and Brenda MacDonald is to be commended for the time and effort she put into it.

That about concludes this week's "gossip", meagre as it may have been, but don't worry, there is much more to come.

P. A. Miller,
 President.

TERRACE BAY RECREATION REPORT FOR THE YEAR 1955 (Cont. from last week)

COMMUNITY PROGRAMMES BRANCH - which is a branch of our Department of Education - played a very large role in our planning over the past year. We are very fortunate to have the assistance of this Branch and their representatives whenever needed. They arranged courses and demonstrations in art, puppetry, crafts and weaving, and social recreation for those people of our town and from nearby towns as well. The Community Programmes Branch co-ordinate the recreation programmes in our zone, which includes 7 communities.

They are available upon request by any community to come in and help organize or give suggestions in administration of Recreation.

PLAYGROUND LEADERS COURSE

Last summer we were able to send 4 ladies to attend the Playground Leaders Course held at Chippewa Park in Port Arthur.

TERRACE BAY RECREATION REPORT FOR THE YEAR 1955

These are the same ladies to whom we sent our children last summer to take part in the planned Playground Programme, and we feel that the training they received while attending this Course was of great benefit to our summer programme. Again, the Community Programmes Branch made this training course possible.

BOY SCOUTS AND CUBS

Cubs: We have two packs of Cubs. Number one pack has 18 boys enrolled and attending regularly under the supervision of Miss Doris Hansford and Miss Lou Atchie. The second pack has 36 boys enrolled and is under the leadership of Mr. R. Wills and Mr. E. Woods, Mrs. B. Megraw and Mr. G. Flater. We are pleased with these boys and the training they are receiving. Each summer they attend a four-day summer camp.

Boy Scouts: There are 23 boy scouts in our town, of which one attended the World Jamboree for Scouts last year. The leaders are Mr. B. Megraw, Mr. B. Kurylo, Mr. J. Anderson. Being older boys, they do a lot of work for the community, such as cloak checking and pop-selling concessions at our local dances. They sell Christmas cards each year to help out on their expenses, and they attend summer camp for one week each year, at which time they work to improve the grounds, facilities, etc. This involves quite a bit of labour on the part of the Scouts, and keeps each boy busy.

We feel these boys are receiving a good training, which will assist them greatly in their later years. We are quite proud of our Scouts, Cubs, Guides and Brownies.

Brownies: The enrollment this year in the Brownies is 44 girls, from 8 to 11 years of age. There are two packs of 22 each, who meet regularly once a week in our Recreation Centre. The girls maintain a regular attendance and there is a waiting list of children wishing to join the packs. The leaders of these packs are volunteers and give a great deal of their time to this work. The Brownie works until she has fulfilled certain requirements and qualifications, when she then moves on to the Guides.

Our Leaders -

First Pack - Brown Owl - Mrs. J. Mikus
 Tawny Owl - Mrs. O. Wilson
