LARGEST CIRCULATION IN TERRACE BAY

June 14, 1956

BASEBALL SATURDAY NIGHT

At 6:15 p.m. Saturday, June 16th, our combined forces of Juniors and Seniors will be at home to the Schreiber Baseball Club. Once again we appeal to the sports-minded people of the area - get out and support your team. Only through your presence do we find confidence of bringing in further outside teams.

Plans are progressing favourably, and at 1:30 p.m. Sunday, June 24th, the Marathon Baseball Club will visit our Club.

Coach Jack Thomas requests the following to be at the diamond for 5:45 p.m. this coming Saturday.

Pitchers - Moro, Kolody, Thomas

Catchers - Sievers, Hanley, Marquis

Infields - Marvin Osmar, Maurice Osmar,
Marks, Adamo, Marsh, Commisso,
Cavanaugh,

Outfields - Stachiw, Bond, Pluta, Whalen,
Dejonghe, Kurylo, Marcella

JOHN A. FERRIER NEW PLANT ENGINEER FOR LONGLAC PULP AND PAPER CO. LTD.

On June 11, 1956 John Ferrier arrived in Terrace Bay to take over his new duties as Plant Engineer for the LongLac Pulp & Paper Co. Ltd.

Mr. Ferrier hails from the Ottawa Valley.

He graduated in Mechanical Engineering from Queen's University at Kingston, Ontario. During the war from 1942 to 1945 he served in the Royal Canadian Navy with the rank of Lieutenant Engineer.

After his war service Mr. Ferrier joined the Spruce Falls Power & Paper Co. in 1945 where he was the Maintenance Engineer.

As a former "Kap" employee Mr. Ferrier is having the pleasure of renewing friendships with Terrace Bay people from Kapuskasing.

In February 1955 he was transferred to Staff Engineering at Neenah, Wisconsin from where he was assigned to his new position in Terrace Bay. At Staff
