

RECREATION FLYER (cont.)

LITTLE LEAGUE BASEBALL (cont.)

Saturday morning from 10:00 until 12:00 noon in the large ball field. The games will be played as shown in the schedule at the first of the season.

PONY LEAGUE BASEBALL

We have the complete registration of 23 boys in the age group of 13 to 16 years. Teams are being arranged now and we will be playing within the next week. Pony League players can only play in the one league. If you play Junior ball, then you are not eligible for Pony League.

SWIMMING BEACH

This week-end of June 23rd and 24th, there will be a lifeguard on duty from 12:30 until 6:00 p.m., providing we have nice weather - which means no snow. Chris McPhail will be in charge of the beach this week-end. The official opening of the beach will be on July 2nd, which also starts playground.

It has been noticed that some boys are lighting fires on the beach area of the Hydro Dam. This makes a mess of the beach and is not permitted due to the fire hazard. The wind could quite easily blow an ember into the bush and cause another fire.

WADING POOL

This week-end our wading pool will be open from 12 until 5:00 p.m. - Unsupervised. Parents who wish to bring their children over may do so. Again, as playground gets underway, we will have supervision at this pool for the children's safety.

TENNIS

We would like to encourage more people to participate in the game of tennis. Until now the courts have been locked because of damage and bicycle riding in this area. We feel that in order to get members, we first must have the people enjoy the game, so for the months of July and August, the courts will be open until damage or misuse is evident. Only paid members may enter any tournaments that the club may offer.
