RECREATION FLYER (Cont.)

PLAYGROUND NEWS

We would like to point out the the children this year that if you go to the beach by bus, you will be expected to return home by bus, and not walk home. It is O.K. if your parents drive out and take you home.

**NOTE:** Playground begins on July 2nd which is a holiday, and the bus service will not be provided for that day. If you are going to the beach, other arrangements will have to be made.

**PARENTS:** Please do not send Joey or Janey's little sister or brother along to the playground with them. We will just have to send them home, since they are too young for playground programme.

NORTH CAMP SOFTBALL

We understand that now we have the field graded, there will be some good games of ball. We also hope that a lot of the men will participate by belonging to either one of the two teams. We want to help the men of the North Camp as much as possible to enjoy our recreation program. Let's hear from you. Get in there and play ball, as this will be one way of finding out how many wish to play and enjoy themselves.

LITTLE LEAGUE BASEBALL

Last Saturday morning, our Little League teams were the first ever to play a ball game in the arena of our Recreation Centre. Being rained out and a large number of players still wishing to play, we took the four teams to the arena, where we played two fast-moving games, with the DODGERS beating the undefeated YANKEES 8 to 2.

The second game was between the BRAVES and the RED SOX. The BRAVES won 9 to 7.

These boys are improving with every game. Be sure to get out on Saturday to see them play. This Saturday at 10:00 a.m. the YANKEES will play the RED SOX, and the DODGERS vs. the BRAVES.

We need a few more coaches for the boys. If you can help them out on Saturday mornings, please phone the Rec. Office and let us know.
