WORDS OF THOUGHT

HAPPINESS - A puppy said to a big dog, "I have mastered philosophy. I have learned that the best thing for a dog is happiness and that happiness is in my tail. Therefore, I am chasing it, and when I catch it I shall have it. Said the old dog, "I too have judged that happiness is a fine thing for a dog, and that happiness is in my tail. But I have noticed that when I chase it, it keeps running away from me; when I go about my business, it stays right with me".

ROLLER SKATING

Every Thursday evening you may roller skate in the Arena from 7:30 until 10:30. Get your friends out for this wonderful activity. It is a great family-participation sport.

LACROSSE

Last Friday our boys in the Pony League age group went to Marathon to play our second game with the Marathon kids. We took a beating - 18 to 3 - but a better game was played. All boys had a good time during and after the game. Mr. Ted McInnes was the only one who could provide transportation, so we wish to express our thanks for his help.

Both Gord Kydd and Dr. Bill Rundle are coaching the boys every Monday, Wednesday and Friday in the Arena at 7:00 p.m. We have hopes of forming a senior team. They would practise after the juniors. This

Wednesday Marathon brought down a junior and senior team to play our boys and men.

MARATHON'S SWIM MEET

This year we hope to have a real good representation from Terrace Bay to compete in this big Meet. Towns invited to enter are: Red Rock Manitowadge, Terrace Bay. This year first, second and third ribbons will be presented to the winners. Special instructions will be given to those we choose to represent our community, from 4 to 5 p.m. each day next week - Monday to Friday. If you are interested in trying out, please let us hear from you.

Senior or adult swimmers are needed for both women's and men's events, so please let us hear from any who are interested.

Transportation will be needed for this trip, and if you can help out, please contact Jim at the Recreation Office - 542- or at home 565.

LITTLE LEAGUE BASEBALL

Last Saturday we were sorry to see that of the four teams scheduled in the League for the summer, only a few boys turned up. Two teams were then chosen for a game of scrub.

PONY LEAGUE BALL

The boys were out for a practise last Sunday afternoon. Due to many being away, we cannot have two teams to play. Each Sunday we will practise at 3:00 p.m. Red Rock has requested a game with both the Little League and Pony League. We are arranging this game for Saturday, August 4th. This would be our big double-header with Red Rock; of course, return games would be expected.

WORK SHOP CAMP ON TEEN-AGE ACTIVITIES

The Community Programmes Branch is offering this work-shop for adults and teen-agers who are interested in teen activities. The work-shop will be conducted Sunday, August 26th, to Saturday, September 1st, at Duncan Memorial Camp, Loon Lake. The cost for this workshop would be \$12.00 for adults and 10.00 for teen-agers. There are very good agenda items for discussion,
