WORDS OF THOUGHT

The old believe everything, the middle age suspect everything, the young know everything.

LACROSSE

Practises are being held every Monday and Friday night in the Arena. The Juniors (boys 12-15 years of age) practise from 7:00 until 8:00 and the Seniors practise from 8:00 until 9:00. We have been playing games here and in Marathon. Terrace Bay, being new at the game, put up a good fight against Marathon, but were defeated. This Wednesday, we hope to take a Junior and Senior team to Marathon to play, and we hope to win. Mr. Gord Kydd, Dr. Bill Rundle and Mr. Ernie Kettle are all out there helping to coach these kids, and we sure are grateful for their help.
