MESSER SHOW BIG SUCCESS

A thousand people turned out at the Arena last night for the show and dance presented by Don Messer and His Islanders. By far the largest crowd to attend an event of this nature locally, no one left disappointed after listening to the country's most popular old time dance band, the songs of Marge Osborne and Charlie Chamberlain; and the sleight of hand antics of magician Duke Neilsen. Other Islanders were featured in specialty numbers on the trombone, piano and guitar and drew big hands from the enthusiastic audience.

The event was promoted by the Terrace Bay Recreation Association.

NOTICE TO PARENTS

(The following notice has been received from the Recreation Committee)

It has been brought to the attention of your Recreation Committee that children have been transported to neighbouring communities in over-crowded vehicles.

It is the unanimous opinion of the Committee that inter-town competition is good activity for our children, but we cannot condone anything but the safest means of travel.

The Committee is also unanimous in the opinion that travel of this nature should be primarily the responsibility of the parents of the children concerned. Parents are informed that no further inter-town travel will be arranged unless adequate volunteer transportation is available.
