

TERRACE BAY BASEBALL TEAM SPLITS EVEN WITH PORT ARTHUR GIANTS

Last Sunday afternoon on the local diamond the Terrace Baseball team split a double-header against the strong Port Arthur Giants. The Giants, who had just finished winning the Lakehead Senior League, appeared to be too strong for the local team in the first game as they played good ball and made many timely hits to win by the score of 6-2. Sinfield and Malo each collected three hits for the visitors with one of Malo's hits being a long home run in the first inning. Sievers, Marv Osmar, and Pluta each collected two hits for Terrace. In the second game the story was different. Jim Moro on the hill for Terrace held the heavy hitting Giant team to three hits. The contest was originally scheduled for seven innings, but the Giants came up with their first two hits in the top of the seventh to tie the score 1-1. In the extra innings the Terrace team pushed over a run in the bottom half of the ninth inning to win 2-1. Hnatiw hit a triple for the Giants in this game while Sievers collected three hits in four trips to the plate for Terrace. The Terrace team wishes to take this opportunity to thank the Merchants and the fans for the fine support accorded them in these contests. There will be return games at the Lakehead in the near future.

GOLFING NEWS

A team of Terrace Bay Golfers will journey to Marathon this Saturday to take part in the Annual "Goodwill" tournament put on by the Peninsula Golf Course. This is usually a well attended competition with entries coming from the Lakehead and Geraldton as well as Terrace and Marathon. The Marathon Club always run an exceptionally well-organized match.

Last year the pros from at least 3 clubs participated as well as some of the finer amateur players in the district so some very nice golf was exhibited. Naturally the boys from Terrace are the "weak sisters" of the Tournament as there is not the opportunity to get much-needed practise but it is hoped that more of our people will golf more now that the highway to Marathon is in such excellent shape. The Course at Marathon has improved remarkably over the past 2 years and the greens in particular make this sprty course a joy to play on.

Members of the Terrace team this year are: Dave Acal, Al Harrison, Jack Lang and Al Pattison. The latter, by the way, was the lucky winner of a "Bay Boy" golf cat valued at \$39.50 at a raffle at Marathon last week. Needless to say it was a popular win with the Marathon boys.
