KIWANIS POURS WADING POOL WALK

Members of the Terrace Bay Kiwanis Club put in a number of hours Friday evening and Saturday morning at the Kiddies Wading Pool.

Work consisted of pouring a cement sidewalk into the wading pool and from a preliminary viewing it appears to be a superb job.

Just a reminder that it was the Kiwanis Club who built the original pool and then turned it over to the recreation committee for operation. The Kiwanis has further plans to landscape the area around the pool.
