CURLING CLUB NEWS

The Terrace Bay Men's Curling Club plan to start 1956-57 activities in the second week of November. This date was decided on at a meeting of an enthusiastic club executive held on September 17th with all members present. A special event will be held prior to the starting of club curling taking place the first week in November. As in the past it was decided that team entries will be accepted with the exception of one man to insure each new member a place on a rink. The club executive feels that our club should expand as far as possible to make full use of the curling facilities available and as a result of this feeling an intensive drive for new members will be undertaken.

The membership fees will be set at the general meeting being held next month October 15th at 8:00 p.m. in the curling
