REGISTERED NURSES TO MEET

A meeting of all Nurses of Terrace Bay, Schreiber, Marathon, and district will be held on Monday, October 1, 1956 in the Conference Room of the Rec. Centre, Terrace Bay. Every graduate Nurse, active or inactive, is asked to attend. This is an attempt to get all the Nurses together as a group with the idea of holding meetings monthly or every two or three months, as the group wishes, to discuss modern nursing techniques, new drugs, etc. We will endeavour to have speakers from the medical and nursing profession from time to time, show films and such items of interest to nurses, depending of course, on the amount of interest shown by the turnout to the meetings.

At this first meeting we will show a film on "The Care of the Cardiac Patient".

An executive will also be formed to carry on at future meetings.
