MINOR HOCKEY NEWS

Out of the remaining 22 boys we find that we haven't enough to make a Midget team (14-16 years) or enough for Juvenile (16-18 years) - so with the consent of Mr. Dave Locking this group will enter as the Terrace Bay High School Team. We hope to have the Nipigon-Red Rock, Schreiber and Marathon schools enter teams also. If these local towns agree to this, we should have a very good year for this group. Earl Knight has agreed to take over this team as coach.

Watch the "News" for the Arena Schedule, which will give you the times of your practices.
