

RESERVED SEASON SEATS FOR HOCKEY GAMES

At a Recreation Committee meeting yesterday it was decided that the best way to handle reserved season seats would be as follows:

1. All those who had reserved season seats last year have from October 15 to October 31st to reserve last years seats or to trade better seat for seat. Phone calls will be accepted to reserve last years seats but will not be accepted to trade seats. Example - Mr. Jones had D red 62 and 63 last year. Between Oct. 15 and 31 Mr. Jones may reserve last years seats by phone or he may go to the Rec. Office and pick up any two available seats in the arena.

2. Starting November 1 anyone may purchase and reserve available season seats. New customers must apply in person. First come - first served.

If the above is not clear please phone the Recreation office or ask any member of the committee. We have renumbered some of the seats this year so please make sure that you have a good understanding of seat numbers.

HOME AND SCHOOL ASSOCIATION

The first regular meeting of the Home and School Association will be held on Monday, October 15th at 8:15 p.m. in St. Martin's Separate School. Parents of the Community and all those interested in our three school's activities are invited.

Again the slate of officers will be brought forth. This was done in May but there wasn't enough present to form a quorum to vote and in turn the election of officers must be held in October. This is very important to the Home and School Assoc. as this slate of officers will be planning our meetings throughout the coming year. There must be at least forty-seven present to form a quorum to install the officers.

The programme will consist of the introduction of the teachers by the principals. Come out and meet them!
