

RECIPE OF THE WEEK  
HALF-MOON COOKIES

- 1/2 cup shortening  
1 cup sugar  
1 tsp. vanilla  
1 egg  
2 sqs. melted chocolate  
2 cups sifted flour  
1/2 tsp. baking soda  
1 tsp. salt  
3/4 cup milk

Cream shortening, sugar and vanilla until fluffy. Beat in egg, then add chocolate. Sift flour with baking soda and salt. Add to the creamed mixture alternately with milk. Stir to a smooth batter. Drop by heaping teaspoonful on ungreased cookie sheet. Flour the bottom of a glass 2 inches in diameter and use to flatten out cookies. Bake in a moderately hot oven (375°F) for 10-12 minute. These cookies are a cake type cookie and are good served plain or frosted. To turn into half-moon cookies, frost half of each cookie with melted sweet chocolate and the other half with confectioners' sugar frosting. Store unfrosted cookies in a tightly covered tin box to retain softness.
