## INCREASED BLUE CROSS RATES

From the daily newspapers subscribers to the Blue Cross Plan for Hospital Care will have, no doubt, noticed that the Blue Cross have announced an increase in monthly rates effective January 1957.

However, due to an agreement the LongLac Pulp and Paper Co. and the Unions have with Blue Cross, the rates of the LongLac group plan will not be increased until May 15, 1957.

Full details in connection with this increase will appear in the Terrace Bay News.
