CURLING CLUB NEWS

The last day entries will be accepted for the mixed Bonspiel has been changed from November 1st to Friday, November 2nd. This date (Nov. 2) will be your last chance to get your entry in and no entries will be accepted after that date. Bonspiel starts Monday, November 5th at 7:00 p.m.

In connection with this bonspiel there was a mistake in the last issue of the News. Assoc.

ICE CHIPS

It's been some time since this column has been in the paper, and since then a great many things have happened. If you remember in our first article (this year) we mentioned that we would have more strength and depth in our team, at the time of writing we had every belief that it would be, due to the influx of players in our midst. But since that time players came and players went, But we are still here. The players we counted on to build up our squad have left for places unknown, with a wave of the hand (some of them) and a fond farewell with parting remarks of 'See you next summer'. It's too bad to lose these players, but we had a good team last year, and we will have the same boys back this year (with exceptions) so we still have something to cheer about. The Superiors will be journeying to Kapuskasing this weekend November 3rd-4th for the start of a home and home series with the Kap Beavers (Sr. N.O.H.A.) for the Spruce Falls Trophy (Now to be seen at Waghorns). The Kapmen invade our town November 17th and 18th to wind up the series. As Kap won the trophy last year, they will be all out to repeat this semester. You all recall the fast heads up Hockey played in those two games at the tail end of last season. We expect these two clubs to give their all in these pre-season games, and it is up to you as Hockey fans to give them your full support, by coming out enforce and cheering your team on to victory.

Don't forget then, the "Big Blue Team" in action this weekend in Kap, and for your enjoyment here November 17th-18th against the same opponents. See you next week with news and views of the Big Blue squad and N.S.H.L. Happenings.

We would like to mention here that the men in the minor Hockey setup are doing a marvelous job and it would be gratifying if you as parents would take time out and drop in at the arena to see what progress they are making with your son and heirs.
