RESERVED SEATS - HOCKEY

Effective 9:00 a.m. November 1st, reserved seats for the 1956-57 hockey season will go on sale at the Rec. Office. Due to the changes in seat numbering we would prefer that those desiring reserved seats come in personally to make their selection. Reservations will be made on a first-come first-served basis. Since the hockey schedule has not as yet been drawn up, season ticket prices have not been established. However, when this has been done, reserved seat holders will be notified accordingly.
