

## N.S.H.L. NOTES

### REFEREES, LINESMEN REQUIRED

Attending the Executive Committee meeting of the North Shore Hockey League held last Sunday in Schreiber were Governors R. R. Faust and P. E. Mazza, Alternate Governor M. D. Campbell and Delegates J. C. Wig and J. M. Thomas.

Resulting from this lengthy meeting the following items were established:

1. The League will be composed of six teams - Marathon, Terrace Bay, Schreiber, Nipigon, Red Rock and Geraldton.

2. It is expected that the regular schedule will get underway about December 15th. No doubt when further locales introduce artificial ice in the future, the schedule could start somewhat earlier.

3. The proposed schedule is presently being prepared, and it is expected that each team will play 15 games at home and 15 games away from home. This increase of games over last season is due to the entry of the Red Rock team.

4. Minimum admission prices as has been the policy of the NSHL in the past will again prevail this coming season.

5. Two Gruen automatic wrist watches valued at \$75.00 each were accepted as a donation to the League from the C.R. Strachan Jewellers Ltd. of Fort William. In the past these awards were made to the Leading Scorer and the Most Sportsmanlike Player. This policy is now changed in that each Governor is to cast his votes to the categories he wishes to see these watches awarded in a sealed envelope. The awards will remain secretive until the termination of the regular schedule at which time the twelve sealed envelopes will be opened and the categories and winners will be publicly announced.

6. Member Club's shares of the Insurance Fund amounted to approximately \$46.80 per team. Because of the increase

of insurance rates, the League has decided to grant each club \$125.00 towards the insuring of their players.

7. Regarding the controversy of the Jas. A. Therrien Trophy, trustees G. Linklater of White River, W. W. Wilkes of Schreiber and W. C. Borsum of Appleton unanimously agreed to award this Trophy to League Leadership on completion of the regular schedule. By majority vote, the Executive Committee endorsed the wishes of the Trustees.

8. Hockey Rule Books were released to Member Clubs by Frank Walters, Vice-President of the T.B.A.H.A. Sufficient numbers were issued to cover all players, and since a number of new rules have been introduced, these rule books should be seriously studied by all concerned.

9. The Annual meeting is now advanced to be held prior to the Annual Meeting of the T.B.A.H.A. which takes place on the third Monday of April.

10. If possible, it is suggested to introduce one referee and two linesmen to officiate at each game. Though fees have not been established as yet on this policy of officiating, it is expected that during the schedule the referee will be paid \$10.00 and the linesmen \$7.00 each. Should the League carry on as in the past with two referees, the fee will be \$10.00 each. Referees and linesmen shall be insured and the costs shall be borne by the League.

Again an appeal is coming your way that the League is in urgent need of referees and linesmen. Please submit written application to R. R. Faust, P. E. Mazza or M. D. Campbell before Nov. 21st. Should you require further information such as a Referees' School or assistance before you are able to decide present your case to any of the aforementioned and they shall endeavour to ease your problems. Up to time of writing only one written
