BOWL-A-FUN CONTEST OPEN TO TERRACE BAY BOWLERS (Cont.)

not later than 3:00 p.m. on the Monday following that week's contest.

5. To compute team score add scores in same game of five high bowlers only, plus their handicaps.

6. Equal chance to all bowlers. Each bowler (5 scores to count only) is allowed 100% of the difference between his average score and 260 as a handicap.

It might be noted here the above rules pertain to five pin bowling only. A contest is also open to 10 Pin Bowlers with a weekly prize of 50.00. Rules are as above except no 6 i.e. the handicap allowance is different with each bowler allowed 100% of the difference between his average and 200. We are awaiting word to see if we are eligible to participate in the 10-Pin contest as our teams consist of four bowlers only.

For further details on the contest see Leon at the alleys.

We still have Tuesday open for a Mixed 5-pin league. Several people are interested but we need at least four teams to form a league. If you are interested in entering a team or bowling in this League please phone John Graham at 281 at the mill or 391 at home.

If entries can be received by Saturday Noon November 10th, 1956 a schedule will be drawn up and the league can get underway Tuesday night November 13th, 1956.
