it is the hope of this organization to form part of a group to meet with the theatre management. Mrs. M. McCausland, Mr. J. Kelty and Mr. R. Kenney were appointed as a steering committee for this project. Another skate exchange will be sponsored by the Home and School on November 23rd in the large meeting room of the Recreation Centre from 8.30 to 9.30 Mrs. Helmerk announced.

The speaker for the evening, Rev. Father E. C. Gallagher was introduced by Mr. Dave Locking who summed up Father Gallagher's background, training and experience which qualified him to speak so eloquently on his subject. Father Gallagher's address on "Juvenile Delinquency" had previously been given to the local Kiwanis Club, and was indeed an inspiring lesson to parents to face the responsibility of bringing up their own children. The church, school and recreation facilities are merely auxiliaries to assist the parents, not meant to take their place. Father Gallagher's address will be printed in full and distributed throughout Terrace Bay shortly. Mr. Cliff Knauff thanked Father Gallagher for his very timely and spiritual guidance on this subject.

A social hour and tea followed the meeting, the tea convened by Mrs. Helen Brooks and her committee.
