NORTH SHORE HOCKEY LEAGUE NEWS

On behalf of the Arena staff and the Recreation Association, M. O. Nelson welcomed the fans and the new entry of Red Rock at the first game of the schedule held here last Tuesday evening. In his remarks before dropping the first puck to officially declare open the N.S.H.L. season in Terrace Bay, senior Governor Peter E. Mazza assured the fans and players that the Board of Governors, through their recent suspensions would not tolerate nor condone any tactics employed by players that are unsportsman-like and contrary to the rule book.

N.S.H.L. NEWS Cont'd.

Peter stressed that the fans pay to see good clean, fast and rugged hockey and nothing else, and the Board of Governors wish to assure all that they will do their best to see these wishes come true.

At an emergency meeting of the North Shore Hockey League held last Thursday evening in Schreiber regarding the exhibition game held here on December 9th between Marathon Mercuries and the Terrace Bay Superiors, the chair was occupied by President A. J. Currie of Red Rock. There were approximately thirty people in attendance at this meeting which lasted for three and a half hours. After reading the referee's report and letters from the Terrace Bay Recreation Association, the Terrace Bay Home and School Association, both letters denouncing the tactics of a number of players, letters were also read from the Marathon Mercury Hockey Association and the Terrace Bay Hockey Association. Following this, the President had each player involved in the fracas present their views and accorded team managers the privilege of questioning these men. (cont'd. page 8)
