SUPERIORS TAME COLTS Cont'd. from page 6

For Terrace Bay 6 players scored goals and 9 made assists. Maurice Osmar and Dave Whalen were the scoring stars in this game as they repeatedly found wide gaps in the Schreiber defence. Osmar finished the game with 5 goals and 5 assists while Whalen called it a night after scoring 4 goals and 7 assists.

As the game progressed, Terrace Bay followers couldn't help reminiscing a bit, because it wasn't too many years ago when Schreiber was knocking off Terrace Bay by the same kind of score. As the saying goes, "the worm has certainly turned".

TERRACE BAY ROCKS RED ROCK 9-4

At the end of the first period last Saturday night Terrace Bay found themselves outplayed by an alert Red Rock team and on the short end of a 3-1 score. Whatever Coach Borden Ross told his players between periods, he must have said the right thing as the Superiors, a disorganized helter-skelter club in the first period, became a smooth working and sometimes sensational team during the final 2 periods. They permitted Red Rock only one more goal while helping themselves to 4 goals in each of the last 2 periods, and won going away 9-4.

Pacing Terrace Bay's attack was Marvin Osmar who played a tremendous game, by far his best effort of the season. He was everywhere as he personally took

Against Geraldton, however, he broke loose and exploded for 5 goals. Now when has a defenceman scored 5 goals in one game before? With two defencemen like Hansen and Desrosiers, its easy to see why the Superiors will be battling for top honors again this year.

After the Superiors tangle with Nipigon this weekend, they do not return to the Arena until January 15th against Schreiber. Perhaps its just as well there is a 9 day spread between home games because attendance so far this season has been poor. Three games last week attracted gatherings of 415, 292, and 315. Terrace Bay is a better sports town than it has shown so far and the Superiors certainly deserve better support. Let's give it to them starting with tonight's game against Marathon.

charge of the game in the second period giving a fine exhibition of good hockey. His pin point passing set up 3 goals in the second period, and then he scored a well deserved goal himself.

Larry Dunville led Red Rock scoring 2 first period goals while his mates continually outfought the Superiors. But the local six, with just 10 men in uniform, plus the goalie, literally skated circles around the visitors
