

were due for a loss and the fired up Royals, playing good hockey all the way, just never let Terrace Bay get going.

It was Red Rock's day last Sunday and after 60 minutes of hockey, they came off the ice with a well deserved 5-1 win. These last two games with Red Rock should indicate to all hockey enthusiasts that this year's North Shore League will not be a one or two team race.

A lot can happen, and probably will, between now and the end of the play-offs, and it all adds up to plenty of good, interesting hockey for the fans of this area.

SUPERIORS OVERPOWER SCHREIBER 11-3

Scoring almost at will, Terrace Bay snowed under a weak Schreiber club Tues. night with a barrage of 11 goals. 8 Superiors scored goals in this rout as Gavin, the Colts goalie, was peppered with 53 shots.

Spearheading the local attack was our "beef line" made of Hansen, Brassard and Diduch which netted 3 goals, all by Brassard. Schreiber rallied briefly in the second period scoring 2 quick goals to narrow the Superiors lead to 5-2. However, except for a late third period goal, that was the end of their scoring as once again, the speed of Terrace Bay was too much for them to handle. The Colts had but 15 scoring opportunities and most of these were soft, easy to stop shots.

In addition to Brassard's goals, Marv. Osmar got 2 and Maurice Osmar, Whalen, Moro, Ross, Kenney and Diduch each registered one goal. Schreiber's goals were scored by Mealy, Fummerton and Figliomini.
