PEGGY WELLINGS RINK WINS LOCAL NORTHWESTERN

For the 3rd consecutive year, a rink skipped by Peggy Wellings has won the right to represent the Terrace Bay Ladies Curling Club in the Northwestern Zone playdowns. In a two out of three series, the Wellings rink defeated the Ostling rink two straight games.

With the exception of the lead position, the personnel on the Wellings Rink has remained unchanged for the past 3 years. They have been successful in winning the zone playdowns for the past two years and have represented our zone in the Northwestern playoffs held at Port Arthur and last year in Terrace Bay. With this record, we believe the ladies will give a fine account of themselves at Marathon this coming weekend, against rinks from Marathon and Schreiber. The local club and the members of the community wish them every success.

Players on the rink are: Peggy Wellings, Skip; Ann Latour, 3rd; Ida Romaniuk, 2nd; and Sylvia Duquette, lead.

The zone winner will advance into the Northwestern playdowns being held in Port Arthur on February 11th and 12th, and the winner of the Northwestern will then journey to Toronto for the Provincial Playdowns which will be held at the Granite Club on February 18th and 19th.

MEN'S

At a recent meeting of the Executive of the Curling Club, plans were drawn up for our annual Bonspiel which will be held April 11th, 12th, 13th, and 14th. Bonspiel Chairman Al Pattison appointed the following Committee Chairmen:

- Draw - M. MacDonald,
- Publicity - A. Stevens,
- Reception - J. Hale,
- Ice & Rocks - L. Duquette,
- Prize - H. Hamilton & R. Ostling,
- Entertainment - L. Crockford,
- Program - J. MacDonald.

This Bonspiel is a Club effort. All club members are asked to assist in any way they can. The above named Chairmen will need help - don't turn them down!

A laxity has been noticed lately with regard to cleaning the ice after games. In order to give everyone more curling there will be some 9 P.M. draws during the rest of  
(cont'd next col.)

the season, so please clean the ice after your game. It is also advisable to clean the ice after the last draw since dirt left overnight freezes into the ice.
