Attendance prizes made possible through the generosity of our local merchants will be given away during the event. Your contributions to the silver collection will entitle you to chances on the prizes.

Watch YOUR BOY PLAY HOCKEY during YOUNG CANADA HOCKEY WEEK. On the programme will be featured exhibition periods of Flyweights, PeeWees, Bantams and finally a League schedule game between teams representing Schreiber and Terrace Bay High Schools. It is expected that Clowns will be in attendance to bring anecdotes of hockey to the grown ups as well as the young "fry" of the family. So come one, come all, and let's make this Family Day in support of honouring our youngsters, their chairman, coaches and managers. Let's go on record in the files of Gordon Jukes in that we filled our arena "to the rafters", and the results of the day were very successful and gratifying.

Why not take pictures of YOUR Boy in action? This is no plug for any film company, but souvenirs he could look back on in his future "big day". It is expected that an official photographer will be in attendance, so that we may have picture coverage in the Lakehead papers.

Hockey Week, the North Shore and particularly Terrace Bay are privileged to welcome to our arena to-night "Red" Horner. In his day, "Red" was considered the hardest hitting defenceman as well as one of the all-time greats of the National Hockey League. Needless to say, "Red" was a standout with the Toronto Maple Leafs.

At 8 o'clock to-night and prior to the Mercurys - Superiors game, "Red" will drop the puck for the youngsters game in ushering in Young Canada Hockey Week in Terrace Bay.

"Red" asks all "Watch YOUR Boy play hockey during Young Canada Hockey Week."

WHALEN IN RECORD SEASON

With 7 games remaining on the N.S.H.L. schedule, Dave Whalen is well out in front in the scoring race. At this writing he is 21 points ahead of the next highest scorer, teammate Maurice Osmar. Old records of 39 assists set by Marv Osmar last season and 65 total points, set by Steve Rusnak of Geraldton last season have been shattered by Whalen. Jim Moro holds the league record for goals, 48 in the 1954-55 season, but with 7 games remaining Whalen should top this figure.

Following are the scoring totals through games played on Feb. 3:
