NATIONAL HEALTH WEEK Cont'd. from Pg. 3

We are fortunate indeed in living in such a prosperous community, but I did think it worth while to acquaint you with some of the facts about a crippling scourge which is prevalent in less fortunate communities. Polio - and other communicable diseases are given wide-spread publicity as so they should be, but Rheumatic Fever - far less dramatic and interesting - is a far greater menace to our children."

- Dr. D.J.M. McCausland.
