

TERRACE 4, MARATHON 3 (cont'd. from page 6)

Only the close checking of the Superiors kid line held off the desperate Marathon Club from then on. Lanteigne and Kapitan came within one of tying at 10.02. During the last minute net minder McMorland pulled his disappearing act to give Marathon the one man edge in Superior zone, which gave Kosolowski the opportunity to score, - which play the officials ruled as an offside. Final score - Terrace Bay 4, Marathon 3.

TERRACE HIGH SCHOOL beat Nipigon/Red Rock School 5-4, Friday, February 8th. A very fast, exciting game.

Gerald Rennett in net for Terrace did a very fine job of net minding.

Sunday, February 10th - Schreiber School beat our High School team 6-4, and this knocked Terrace out as far as getting into play-offs - losing 4 out of 5 games. The School will play their last game of the schedule against Marathon Friday, February 15th, this will be a very important game for Marathon - if Marathon loses to Terrace, they will also be out of playoffs.

NIPIGON and MARATHON Minor Hockey Clubs have both asked for games with Terrace Bay Midgets - as we have enough Midgets to make a team it will take some figuring out as FIVE of them want to play goal only - don't stop your chances of belonging to a team, boys, just because you want one particular spot - come out to practice and let your coach figure out as to where you are best fitted - if we can whip up a team out of this group, 14-16 yrs. we should get about six games before the end of the season.

"YOUNG CANADA HOCKEY WEEK" February 4th to 11th is over, and I want to thank the people of Terrace Bay for their support in this worth while effort - over \$90.00 was realized from the silver collections made at the Terrace Bay - Marathon game, and Sunday afternoon. To set up programs such as these, it takes a lot of help. Through the medium of the Terrace Bay News, I would like to thank the following - Peter Mazza (cont'd. page 8)
