

Brotherhood Week observed at  
Kiwaniis Meeting.

On Tuesday, February 26th the Kiwanis Club of Terrace Bay in observance of Brotherhood Week had as their guests the following gentlemen, representing the organizations as shown. Mr. H. Riddell, Lions Club, Schreiber; G. Ramsey, Canadian Legion, Schreiber; C. Buck, Terrace Bay Masonic Lodge; A. Valiquette, Knights of Columbus; I. Bailey, Schreiber Kinsmen Club; D. Wilson, Schreiber, Oddfellows; A. Berndtsson, Loyal Order of Moose.

The guest speaker for the evening was Reverend Arthur Lavender, D.D. Mr. E. Rowson introduced the speaker, outlining Doctor Lavender's long and distinguished career in serving his fellow man.

Doctor Lavender's talk on the subject of Brotherhood was most inspiring. A quotation from his talk is as follows: - "There is being borne home to the hearts of men and women that unless they learn to live together as members of one family the outlook for the human race is exceedingly dark. Men of good will, everywhere, are recognizing that the one hope for mankind is not in bombs, but in that spirit of brotherhood which recognizes the fact that God has made of one blood all the families of the earth to dwell in it."

In conclusion Doctor Lavender emphasized that true Brotherhood must start and be sustained at the "grass root" level. That all of us as individuals in our every day living must believe and practice the true spirit of Brotherhood.

LADIES' BROOMBALL

A group of local ladies has found that a broom can be used for other purposes than sweeping floors. As a result, they have displayed an interest in forming a Ladies' Broomball League.

First workout for those interested will be held from 9:00 - 11:00 p.m. tonight (Thursday) at the Arena. Next workout will be next Thursday (March 7th) at the same hour. No teams have been formed yet, so anyone interested should contact K. Ward at the Recreation Office immediately.

Come on, ladies! Get some fun out of that broom for a change!!

MEN'S BROOMBALL

A sudden rise in popularity has given the game of broomball a shot in the arm locally. At present there are three men's teams engaged in the sport, playing several times weekly at the Terrace Bay Arena. Teams from #4 Shift, #3 Shift, and Structural have already met, and a league schedule has been drawn up to run until the end of the year.

Any men who are interested in playing, but who are not yet attached to a team, should contact J. Charbon or J. Desaulniers at the Mill, or K. Ward at the Recreation Office.
