

SUPERIORS - FLYERS BATTLE TO 7-7 TIE IN OVERTIME GAME

Sunday's game, played in the local arena, was no game for a person with a weak heart. Thrills were a dime a dozen and while the game ended in a tie, it was certainly a moral victory for Nipigon. Neither club could stand prosperity, Nipigon blowing a 3 goal lead and the Superiors twice failing to hang on to a 2 goal advantage. Goals by Ahl, Ward and Baxter gave Nipigon a 3-0 lead early in the second and then the Superiors came to life just when the arena atmosphere was thick with gloom.

Diduch, Maurice Osmar and Stachiw scored in the second period and the score was tied when the teams squared off to start the 3rd period. Whalen's hard drive opened the third period scoring and when Maurice Osmar scored a while later bedlam broke loose and the 2 goal lead looked good.

On the brink of elimination the Flyers, a mighty weary crew, put together two fine scoring efforts by Ward and C. Manilla and the regular game ended in a 5-5 tie.

The Superiors scored 2 quick goals to start the overtime, one by Maurice Osmar, his third of the day and the other by brother Marv, and the Terrace Bay portion of the crowd of 1250 began planning the invasion of Marathon Tuesday night.

With their backs again against the wall of defeat, Nipigon began a rally which culminated in the wiping out of another 2 goal Terrace Bay lead. The culprits this time were Dahl and Swan.

This tie was a bitter pill for Terrace Bay to swallow, yet you have to tip your hat to Nipigon. A team that hustles the way they do is always tough.
