

FIGURE SKATING NEWS Cont. from Page 1

We are very happy to announce that Jennifer Jean Wilkin of the Port Arthur Figure Skating Club will be featured again this year. Jennifer recently captured the Junior Figure Skating Championship for Northern Ontario and Quebec, so you are assured of one of the finest exhibitions of skating available.

Remember - there are two performances Saturday afternoon at 1.30 P.M. and Saturday evening at 8.00 P.M. This is your only opportunity to see "Ice Frolics of '57" so make your plans NOW!!!

Tickets have been on sale for the past couple of weeks. If you haven't purchased yours, the ticket office will be open prior to each performance.

IMPORTANT NOTICE TO ALL SKATERS

A complete Dress Rehearsal of the entire show will commence at 5.00 P.M. on Friday evening, March 15th, and all skaters with their costumes, must be in attendance. Remember -- your Skates and Laces must be clean.

CONSERVATION POSTER CONTEST WINNERS ANNOUNCED

Final judging of posters and essays, submitted by 218 pupils from 21 schools in the Fort Frances and Thunder Bay districts, was held at Terrace Bay on March 8th.

These entries were finalists of preliminary contests held in several centres, covering in all about 1200 children, and conducted by local conservation clubs.

Judges, who travelled to Terrace Bay for this event, were:

Mr. F. Aaron, Secretary, Northwestern Ont. Conservation Federation, Zone 1, Red Rock.
Mr. C. E. Garton, Principal, Current River High School, Port Arthur.

Mr. N. W. Harrison, Provincial Agricultural Representative, Port Arthur.

Mr. and Mrs. J. H. Merrill, Vice-Pres. Woodlands, Great Lakes Paper Co. Fort William.

Mr. J. M. Taylor, Dist. Forester, Dept. of Lands and Forests, Geraldton.

Since the poster contest was based on specified subjects and confined to various age groups, the posters submitted were very similar in interpretation and hence the competition was extremely keen. The judges' task was by no means an easy one.
