

MIXED FIVE PIN BOWLING

Tuesday, April 23rd, "Buckles", League series Champions, captained by Clarence Buck, rolled off with Charlie Sitch's "Rockets" for the Imperial Bank Trophy, standing for mixed league supremacy.

Buckles took a 125 pin lead at the first games end, and although rockets managed to cut the lead down in the 2nd and 3rd games, Buckles came back in the 4th with a strong 972 to capture the coveted trophy by a margin of 101 pins.

Leading Buckles scoring was Clarence Buck with a four game total of 778. Top Locking proved to be the most valuable player for Buckles by rolling 175 pins over her four game average. Highest for either team. E. Keller, S. Keller and D. Locking, the other members of the Buckles, also rolled very good games. "Congratulations on your fine bowling"!

Top bowler for the "Rockets" was Evelyn Boutilier, rolling a very strong 806. Rocket bowlers are:-G. MacDonald, C. Sitch, E. Boutilier, A. Gerow, L. Swirhun and I. Goodfellow.

"Hydro", captained by Lew Edmunds captured the consolation honors in a very closely contested series with the "Alley-cats", captained by Ray Belliveau.

"Hydro" led all the way, but "Alley-cats" kept the pressure on them every frame and when the final ball was rolled it was "Hydro" by a scant 30 pins. Dot Coupal's series of 828 led the winners and was high for the night. Ron Slattery was high for the losers with 726.

Members of Hydro are - Lew Edmunds, O. Adamo, K. Ward, B. Edmunds, D. Coupal, B. Comisso.

Alley-cats are - Ray Belliveau, V. Slattery, C. Adamo, T. Stachiw, R. Slattery, K. Anderson.

RADIO INTERFERENCE

A meeting has been arranged for Tues. April 30th at 7 P.M. in the Recreation Centre, large meeting room for anyone who is interested in doing something about radio interference in town. The purpose of the meeting is to make up a petition that will be forwarded to the Department of Transport to find out if they will take action to investigate radio interference.

The meeting has been arranged by one individual in an attempt to eliminate radio interference.
