K. of C. AMATEUR SHOW - Friday May 3rd.

Tomorrow night at the Terrace Bay High School auditorium, commencing at 8:00 p.m., the "Stars of Tomorrow" will parade on stage to perform for you, in what has become the most refreshing programme seen in many a day. These so called Stars are the children and Students of Elementary and Secondary Schools in Terrace Bay and Schreiber. Rehearsals have been held and now they are ready for the Finals. The Grand Award winner will receive a beautiful foot-high Trophy - his or hers to keep.

Because of the Teen Town Rally at Atikokan during the past weekend, and the Father-Son banquet last Saturday, a number of would be contestants were unable to be present at the Rehearsals. For these special few we are holding the Programme open and would encourage them to enter as last minute Dark Horses.

In addition, for your enjoyment we have lined up some special Adult entertainment which will be well received and very enjoyable. A hush-hush performer is included in this category - one who has been with us from the beginning and who has contributed in no small way to the pleasant memories many of us have of Terrace Bay!!

Adult Admission is 50¢ and Children 10¢. All proceeds, together with the usual K. of C. subsidy, are earmarked for prizes. If at all possible, an Automatic Record Player will be purchased for the Hospital with whatever surplus may be left from the presentation of this Amateur Show. Show your genuine interest in our local Stars by patronizing this Show. It is an effort that goes a long way toward developing poise, confidence and ability in tomorrow's citizens.

ANNUAL HOCKEY MEETING - MAY 8

Annual Meeting of the T.B.A.H.A. will be held Wednesday May 8 the the large meeting room at the Rec. Centre at 7:30 p.m.

The present executive have been approached with the suggestion of separating Minor Hockey from the Association and setting it up on its own. A move in this direction can only be made at an Annual Meeting with the consent of the majority attending.

All those interested in a move such as this or in any other matter relating to hockey in general are asked to attend and state their views. A slate of officers will be presented for the meeting's approval and additional nominations will be received from the floor or consent to run in writing will be accepted from those unable to attend.
