Since the Terrace Teen Town returned from the Atikokan Youth Conference, the main objective of the club has been re-organization.

With the idea of re-organization came the question of electing a new executive, enabling us to start anew, and build a strong foundation on which to base our club. With this question in mind, a Teen Town meeting was held last Thursday, at which nominations were received for the election of the new executive. The election will be held on Friday, May 17, at 9:00 p.m., and will be followed by a dressup dance in honour of the occasion.

One of the topics debated on at the meeting was the choice of club colours. After much deliberation, blue and white were decided upon, so these colours are now the official colours of Teen Town.

Another problem discussed was that of getting parents interested in Teen Town. One of the duties of the new executive will be to build up this parental interest. Just now we are in process of drawing up a new constitution.

YANOS GERLEY, TED KOSTIUK, ALBERT TITTELBACH HAVE RECEIVED CANADIAN CITIZENSHIP PAPERS

Since this paper's request for LongLac employees to report their Canadian Citizenship status to the Employment Office the above have done so. Any other employees are asked to do likewise.

Persons desiring Canadian Citizenship have a five-year waiting period and at an appropriate ceremony must pass an examination. So it must be with a lot of personal pride that these people become citizens. Congratulations are appropriate to anyone who through their individual efforts qualify for citizenship.
