Safety Contest (cont'd)

There will be a penalty of 25 points charged to any unit wherein a man fails to report any accident, no matter how slight.

Prize money collected by each unit may be spent in any manner decided by the unit safety committee. Money shall not be distributed. If a safety committee cannot arrive at a satisfactory decision on how the money shall be spent the mill Safety Contests & Promotions committee will make recommendations.

Contest results will be posted on the big scoreboard at the mill entrance beyond the time clocks.

"LET'S BEAT THE PAST"

HORTICULTURAL SOCIETY

Members of the Terrace Bay Horticultural Society are reminded of the meeting Friday evening, June 28th at 8 p.m. in the large meeting room of the Recreation Centre when the Fort William Society will be our hosts. Many of their Executive and members will travel down here to hold this meeting and it should prove very enlightening to us. It is hoped a good turn-out will be on hand to greet them and for the informal social to follow.

2ND PACK BROWNIES

Weather permitting all Brownies of the Second Terrace Bay Pack will meet in front of the Recreation Centre at 9 a.m. on Saturday June 29th for their all-day hike.

GUIDES

On Wednesday June 19th Mrs. Ron Slattery in the absence of Commissioner Maitland, enrolled into the Guides seven new members.

All Guides going to the Marathon Guide Camp are asked to please turn in their remaining camp funds to Captain Middaugh, 214 Kenogami Road before Saturday.

BROWNIES - 1ST AND 3RD PACKS - held their scheduled weiner roast in the Arena, weather conditions not permitting a trip to the Mouth of the River. Games and Treats were enjoyed by all.

Any Brownie wishing to try for their swimming test will please contact their Brown Owl and arrangements will be made.

"LET'S BEAT THE PAST"

A new mill-wide safety contest gets underway July 1st. The contest is set up very simply. Departments will be competing only against their own previous experience. A par has been established for each department for each month, July through December. Basis for determining the par has been a 10 point charge for all doctor care cases and a 50 point charge for each lost-time accident. (The same point system will be used to calculate monthly scores of departments during the contest.) Par in each instance represents a 5-year average.

Earnings will be built up by units as follows:

1. A credit of 10¢ per man when a unit betters its monthly par.
2. A bonus of 5¢ per man when a unit betters its par by 50%.
3. A bonus of 5¢ per man when a unit betters its 6-month par by 50%.
4. A bonus of 50¢ per man to the unit showing the best percentage improvement during the 6-month contest period.
5. A bonus of 25¢ per man to the unit showing the 2nd best percentage improvement during the 6-month contest period.
