

KIWANIS PROFICIENCY AWARD (cont'd from P. 1)

SOFTBALL (cont'd)

P.

school were eligible. First they must have a yearly average of at least 70 percent to be nominated by the teaching staff. And then by a system of balloting by the students of Grade 7 & 8, and the teachers of the school, the winner is selected. In this way, Mr. Paget stated, the Kiwanis Club hoped to encourage amongst the students, individuals who would be all-around good citizens, able to take their place in business and community life.

On Thursday morning, June 27th, at a gathering of students at the Public School, Mr. Paget presented the Proficiency Award to Maryellen Reynolds. Mr. Soughton presented Maryellen with a watch also, as well as last year's winner Sharon Locking.

In his remarks to the Public School gathering, Mr. Paget stressed the importance of each individual continuing in school to the utmost of their mental ability. More emphasis is being placed on education each year by business and industry and an individual would only penalize himself or herself by not continuing through High School to the fullest extent possible.

Congratulations are certainly deserved by Maryellen Reynolds and Veronica Fedun for their achievement. Maryellen Reynolds, is the daughter of Mr. & Mrs. Art Reynolds, and they live at 168 Birch Crescent.

Veronica, is the daughter of Mr. & Mrs. Tony Fedun, of 32 Pine Crescent. She has two sisters and two brothers at home.

We are sure that the entire families of these winners will be justly proud of the efforts of Maryellen and Veronica. Sometime in the near future these young ladies will be invited to have dinner with the Kiwanis members.

The Kiwanis Club would again like to thank school principals, Ray Kenney, and John Morrison, and their staffs for the work they do in making possible the selection of these Award winners each year.

2 hits including a booming triple in addition to 4 R.B.I's. Thompson performed well on the mound as did Marquis behind the plate.

For Shift 1, Zigman did well in a losing cause as he banged out 2 crisp singles, and performed effectively at second. Brassard pitched well but errors led to his downfall.

TEENTOWN vs. SHIFT 2 - MAINTENANCE
WEDNESDAY - JUNE 26TH, 1957.

Shift 2 - Maintenance maintained their undefeated status with a 5-0 shut-out over Teentown. Making the most of costly errors by Teentown plus the few hits they managed to get, they scored enough runs to win even though being outhit.

The contest breezed along at a fast clip for four innings with Maintenance sporting a 1-0 lead on Jim Moro's lead-off homer in the 1st inning. Threatening rallies by both sides in these innings were snuffed out by sharp fielding as each side executed a double play.

However 2 errors, 2 walks, and 1 hit by Maintenance for 3 runs put the game on ice and broke up a tight contest.

Zwadesh pitched well and received fine support from his team-mates who although making some errors managed to come up with a good play whenever a Teentown player appeared in scoring position. Moro paced the hitters with his homer and Woods collected 2 R.B.I's.

For Teentown, Thompson was the whole show, as he pitched well and gave up but 4 hits. He also collected 2 hits to pace their hitting. However, poor fielding and the inability to hit at the proper moment by his mates led to his defeat.
