Future practices will be:

Up to 15 years: - Friday at 4:30

16 yrs. and over: - Friday at 7:30

ROLLER SKATING NEWS

Sunday roller skating, tried last Sunday, will not be held this weekend. Fine weather and a chance to get out for a picnic proved to be the popular Sunday pastime, so that roller skating will be held only on Thursdays until further notice.

Perhaps near the end of the summer, when weather is adverse, Sunday roller skating will be resumed.

In the meantime, let's see you out this Thursday between 7 and 10 p.m. to enjoy roller skating at the Terrace Bay Arena.

PLAYGROUND NEWS - The Recreation Association's summer playground programme got off to a wet start on Tuesday morning, but registrations for this year's programme are the largest ever.

105 Intermediates and Seniors were out Tuesday, with an even larger crowd of Juniors out on Wednesday. More children are registering every day.
