Doug. & May Caldwell

The members of the Hospital Board and the Hospital Staff wish to express their appreciation to the Knights of Columbus for the beautiful record player donated to the Hospital. It, together with some children's records, was intended for the enjoyment of the children. However, it is a very good RCA Victor, 3-speed record player, and adults will enjoy the use of it as well as the children.

Mrs. M. Buck, Sup't.

RECIPE OF THE WEEK

STUFFED CELERY SALAD --

Select 8 to 10 fairly large celery stalks. Wash and prepare them for stuffing. Mix well together $\frac{1}{2}$ cup blue cheese and $\frac{1}{4}$ cup cream cheese.

Stuff the celery with the cheese and chill the stalks for about an hour or until ready to use.

To make the salad, break up a quart of salad greens — whatever you like. Romaine, lettuce and endive are an ideal trio. Add $\frac{1}{4}$ cup chopped green pepper and $\frac{1}{4}$ cup pitted sliced ripe olives.

Slice the stuffed celery into $\frac{1}{2}$ inch pieces and add also.

Season the salad with $\frac{1}{4}$ teaspoon dried tarragon and toss with a sharp French dressing.

Makes 4 to 6 servings.
