Hereafter, a charge of \$5.00 will be made to any Hydro consumer wishing to change the wiring of his hot water heater from flat rate to being metered or vice versa. All heating elements on any tank must be either metered or on flat rate, not one on each.

- W. F. Strutt,  
Secretary-Treasurer.  
Corp. of the Improvement Dist. of  
Terrace Bay.

T-H-A-N-K Y-O-U

My family and I would like to take this opportunity to sincerely thank the officers and members of Local 665 and all those who were so generous and thoughtful during my illness.

- Roland Wills.

NOTICE TO RESIDENTS

Under normal circumstances no burning of scrap or rubbish will be allowed within the town limits.

- Improvement District of  
Terrace Bay.

CENOTAPH MEMORIAL

This coming Saturday the above job should be brought to a successful conclusion in that Alfred Barbini and a local group will erect and put the finishing touches on the memorial.

The entire job is expected to take three or four hours.

Dedication ceremonies under E. J. Brady are even now being planned. It is the earnest wish of the committee that all veterans of Terrace Bay and vicinity will take part in the dedication ceremony with particular emphasis on the wearing of War Service Medals and Decorations.

FIFTH OPEN AIR MASS ON AUGUST ELEVENTH!!

St. Edward's Council No. 3554 Knights of Columbus are finalizing their plans for the Open Air Mass to be held on Sunday, August 11th in the Schreiber Ball Field. The motorcades from the Lakehead and Marathon will arrive at the Parking Lot behind the Church shortly after 2 P.M. All members of the local Catholic Parishes are expected to take part in the procession.

Non-Catholics will find the explanation of the Prayers and Ceremonies of the Holy Mass interesting. This explanation will be given over a loudspeaker system.

Among the clergy attending will be the Most Rev. W. J. Smith, Bishop of Pembroke and the Very Rev. E. Q. Jennings, Bishop of Fort William.

Everyone is welcome to a supper provided by the Schreiber C.W.L. in the Guild Hall following Mass.
