LARGEST CIRCULATION IN TERRACE BAY

September 5, 1957.

### SOFTBALL

In the second game of a 2-game total run Series Salary will meet Shift 2-Maintenance in a sudden-death game which will decide the Terrace Bay Softball Championship.

In the first game played last Wednesday, Shift 2-Maintenance had to rally in the last 2 innings to tie a hard-fighting Salary crew.

Salary will have Nick Chopty on the mound Monday, while Maintenance will again have Stan Zwaresh doing the hurling. Maintenance will probably have Maurice Osmar back at second base while Manager Murdo Campbell will again probably go along with the same Salary line-up which performed so brilliantly in the 1st game.

- Game time Monday is 6:30 - so for the last game of the season everyone is invited to come out and watch the fun! -
