HOSPITAL RECEIVES INVALID WALKER

On August 30th, Dr. Arthur Lavender, on behalf of the Kiwanis Club of Terrace Bay, presented an adjustable Invalid Walker to Mrs. M. Buck for use in the Terrace Bay Private Hospital. Others present were Mr. C.E. Paget, Chairman of the Hospital Board, and Doctors McCausland and R. Rundle.

This Invalid Walker is a very valuable piece of equipment and will provide immeasurable assistance to those patients who have been partially paralyzed, or who require aid to walk again.

This is yet another act of generosity performed by our local Kiwanis Club, and is greatly appreciated by the Hospital Staff and the Members of the Hospital Board.
