CARD OF THANKS

Since I find it impossible to write individual letters, through the medium of the "News," I wish to extend my heartfelt appreciation to my many friends who helped in any way during my stay in both the Terrace Bay Private Hospital and St. Joseph's Hospital. More so am I grateful to Doctors McCausland and Rundle, Father Gallagher, Mrs. P. Buck and Staff and the Management of Kimberly-Clark Pulp and Paper Company Limited. A special thank you to my friends who were so kind as to make welcome into their homes members of my family visiting me during my eight weeks in hospital.

Your acts of kindness and thoughtfulness shall never ever be forgotten.

Sincerely,
- Peter E. Mazza.
