ART CLUB NEWS

Mark a big red circle around October 12th on your calendar! Why? - Well, we'll tell you. That's the day we hold open house for our friends. Do drop in and have a cup of tea with us and see what "fantastic" things we've been doing! And when we say "fantastic" that's what we mean. Why, just the other day someone viewed our picture of a covered bridge and asked if "it" was a barn, and why was it straddling a river? See what I mean -- fantastic! - So remember that date, - Oct. 12th, from - 2 to 5 and 7 to 10 the work from our Spring Course under J. Cumming will be displayed at the Recreation Centre. Everyone welcome.

best of luck.

Notice - All Credit Union Members please watch for further particulars on the "Annual Dinner Meeting". The committee members are busy attending to the details of agenda, guest speaker, nominations, etc., and you are asked to keep this event in mind and watch the "NEWS" for time, date and place. Fire Prevention Note - Remember water isn't good for fighting an oil or grease fire. It spreads the fire. Smother such fires with a rug or clothing. Even baking soda will help do the trick if the frying pan flares up. Don't rush to the door with the blazing pan. The flames may blow back, setting you afire.
