## Bonds on Sale N-O-W!!!

For the 11th consecutive year Canada Savings Bonds are available through the payroll savings plan to employees of the Kimberly-Clark Pulp and Paper Company.

Remember this year they are a better buy than ever. Interest rate: First 2 years  $3\frac{1}{4}\%$ . Remaining 11 years  $4\frac{3}{4}\%$ . Average yield 4.46%.

Once again a volunteer canvasser will contact each person on the payroll, and give each one the opportunity to sign up for Bonds. It would help, however, if everyone who has decided to buy bonds, would contact their canvasser to save the canvasser's time. Following is a list of the canvassers:

### MINOR HOCKEY -- OPEN MEETING!!!

The Minor Hockey Association is holding an open meeting in the large meeting room at the Recreation Centre on Friday, October 25th, at 8:00 p.m. Parents of boys playing minor hockey are urged to attend the meeting for several reasons.

First, the Association would like you to meet the executive and coaches who will handle minor hockey for the coming season.

Second, the Association would like to hear any constructive suggestions that parents may have for the better handling of minor hockey.

Third, the executive would especially like to have the mothers present as several of them have shown an interest in forming an auxiliary to help finance minor hockey.

If you have a boy playing minor hockey or are interested in any way, be at this open meeting next Friday.
