SKIPS - Have you your rink???

The strategy of forming rinks is  
going on at a terrific pace. There is more  
dickering and deals being made to get a  
good foursome together for the coming season.

The deadline for application is  
November 1st. But skips who have a rink  
formed should complete the enclosed form  
right away.

The membership and draw committee  
deserve a break, skips -- so complete and  
send the form on the opposite side of this  
page to J. Clancy,  
P.O. Box 11,  
before the deadline which is November 1, 1957.
