GENERAL MEETING - T.B.A.B.A.

The Annual General Meeting of the Terrace Bay Amateur Baseball Association was held October 3rd. The season's business was ended with the exception of the election of a new executive, which could not take place as the nominating committee had not put forward a slate of candidates. When the committee has a slate drawn up, another general meeting will be held for the sole purpose of election of officers.

The nominating committee is composed of the 1957 managers of the softball teams.
