ART CLUB NEWS - We are back to our regular meeting night this week - Thursday, 8:00 p.m. at the Recreation Centre, large meeting room. We are beginning our first study in oils for this season. In making studies we use window blinds and pieces of masonite which have been sanded and primed. Thus we save our canvas for more advanced work. If you have any old window blinds or scraps of masonite that you'd care to donate, please let us know, and we'll gladly call for them. Phone 3578, or tell any of the club members. - Through the co-operation of our Librarian, and the Library Board a number of "Art Books" have been procured. We would ask that members taking these books see that they are returned promptly so that everyone may use them.
