READ THIS !!

Anyone who has had past experience, or anyone who is interested in forming a Pipe Band, is asked to leave his name at the Recreation Office.

A local group has already begun the initial stages and would welcome any interested parties, especially those with even limited experience.

ATTENTION SKATERS!

Change rooms for public skaters in the arena are now situated in the downstairs washrooms at the front of the arena.

Skaters, especially parents bringing small children, are asked to use these rooms. Change rooms have been changed to this new location in an effort to keep skaters out of the seats which are becoming badly marked.
