

## THOR OLSEN WILL RETURN TO TERRACE BAY

---

The following announcement was recently made by the Mill Manager, K. G. Shirriff:

"Mr. Thor Olsen has been appointed Pulp Mill Superintendent of the Kimberly-Clark Pulp and Paper Company mill here at Terrace Bay, but cannot be released from Chihuahua for several months.

In the meantime Bill Barry of Staff Research and Development will come to Terrace Bay and act as Pulp Mill Superintendent."

Thor Olsen, of course, is well known in Terrace Bay, as he was a pulp mill tour foreman before leaving for Chihuahua, Mexico. He was also known as 'Mr. Curler' of Terrace Bay. Congratulations are in order for Thor Olsen, and we know he and his family will receive a warm welcome on their return to Terrace Bay.

"Laff a Little"

Sam noticed that Al was carrying a long, thin parcel, when the two knocked off for lunch. "My wife's away," Al explained, "so I made my own lunch."

"What is it?" asked Sam.

"I baked a pie," Al said proudly.

"But it's two feet long."

"Naturally. It's a rhubarb pie."
